

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., Sept. 15th, 1881.

A. Loudon Snodden, Esq.,

Supt. U. S. Mint

Philadelphia, Pa.

Sir:

I have received your letters of the 7th and 14th instant in relation to paving Juniper Street the length of the Mint with asphalt and in reply would say that before authorizing this work to be done, I think it necessary to obtain the opinion of the First Comptroller as to whether it can be done and paid for from the appropriation for Contingent Expenses.

I will thank you to furnish this Office with an estimate of the probable cost.

Very respectfully,
R. C. Preston
Acting Director
